Seminar Timetable

“Critical Mineral Resources as the foundation of Strategic Fields of the European Industry & the role of the Greek Mining Industry”

Time	
10:30-11:00	Arrival - Registration / Προσέλευση - Εγγραφές
11:00-11:15	Welcoming - Greetings / Καλωσόρισμα - Χαιρετισμοί
11:15-12:15	<u>Sarah A.S. Dare:</u> “Magnetite Chemistry as a Petrogenetic Indicator of Ore-Forming Processes and Applications to Mineral Exploration”
12:15-12:45	Coffee Break / Διάλλειμα - Καφές
12:45-13:45	<u>Nikolaos Arvanitidis:</u> “The potential for exploration to target Critical and Strategic Mineral (CSM) Systems is enhanced by the economic geology of Europe”
13:45-14:45	Lunch Break / Διάλλειμα - Καφές
14:45-15:45	<u>Christos Kavalopoulos:</u> “Critical Raw Materials Act - Challenges, consequences for the European mining and metallurgical industry. Greece and CRMs, application problems”
15:45-16:30	Round Table / Συζήτηση Στρογγυλής Τραπέζης
	End of Seminar / Τέλος Ημερίδας

Saturday, March 30

Auditorium Ioannis Drakopoulos,
 Department of Geology and
 Geoenvironment, NKUA
